

1906-054 Chancery Causes: Mary J. Horton vs. William Horton
Lee Co.

Carrol, Garrison, Gilley

CA-Divorce
T-Vices

To the Hon. H. A. W. Skeen, Judge of the Circuit Court for Lee County;

Humbly complaining, your orator, Mary J. Horton, respectfully represents unto your honor that she and one William Horton was duly married to each other on or about the _____ day of 1905; that after their marriage they lived together and cohabited together as man and wife until some time in the Fall of 1905; that she is now and has been for more than a year previous to this date a resident and citizen of this county; that the said William Horton is now and has been for several years a resident of this county and State; that after the marriage of your complainant and the said William Horton, he, the said William Horton without the knowledge, consent, procurment or connivance of your oratrix became untrue to her, by having carnal intercourse with one Barb Carrol, a lewd woman, some time in June, 1905; that his said adulterous acts were committed in this county on the bank of the North Fork of Powell's river, something like a mile from Pennington Gap.

Your oratrix did not hear of the ^{said} adulterous acts of the said William until some time in the latter part of the Summer or early Fall of the year, 1905; that when she did hear of it, she accosted him on the matter, and he first denied it bitterly, but after having the witness who saw him in the act, ^{confront him} he admitted it, and thereupon your oratrix refused to live with him further, and has not lived with, nor cohabited with him since she found out his infidelity.

Your orator is also advised and charges that the said William Horton, since his marriage with your oratrix has been guilty of adultery with the said Carrol woman at other times and places than that above mentioned, but she is not now sufficiently advised as to the exact time and place.

The premises considered, your oratrix is advised that she is remediless save in a court of equity; that she is entitled to have your honor grant her an absolute divorce from the bonds of matrimony now existing between her and the said Willaim Horton; and her prayer therefore is that your honor, take cognizance of this her

cause of complaint; that on the coming in of the proof in this cause she be granted a divorce a vinculo matrimonii; and that she be restored to her maiden name which was Mary J. Turner; that all other further and general relief be awarded her that the nature of her cause may require. And she will ever pray, etc.
